*Every Child, Every Chance, Every Day*

## Principal's Report

Week 9 Term 1 2019 Issue 5

What a fabulous day we had today with the sun shining and a plethora of opportunities for students, where they challenged themselves for a personal best in athletics. Thank you to Aaron Richards for his organisation and the staff for their participation in this event. I also want to thank the many parent volunteers who without their assistance, we would not have been able to offer as many events for the children. It is always wonderful to see parents, grandparents and our community coming along to watch and cheer students along. I have noticed that the tinsel in house colours appears to be developing as a feature of our events (note to self; buy more red, blue, green and gold tinsel next Christmas!) Congratulations to everyone involved.

### School Review - Supplementary Parent Survey

As outlined in the last Newsletter, we are working within a time of Strategic Review for Hughesdale Primary School. With our current focus on our Pre-Review Self-Evaluation (PRSE) we would appreciate your assistance in gathering additional information from parents. Although we participate in an annual Parent Opinion Survey, it is only available to a randomly selected sample of parents each year - we would like all parents to have input into the picture of HPS that we are painting.

I invite you to use this link (closes Tuesday 2nd April) to add your voice to the data we are gathering, and thank you in advance for your responses.

### Oakleigh Education Plan

It was a great pleasure to see so many of our families at the Cultural Festival hosted by South Oakleigh Secondary College last Friday evening. We were treated with performances by our singers and dancers, with many staying to see other local schools perform also.

Circulating at the event were representatives from the DET, gathering parent opinion data on how the local area is catering for secondary education, with the increasing population of students in this age bracket. If you are a parent who lives locally to the college, they would be pleased if you participated in their survey to share your thoughts and ideas for the future of South Oakleigh Secondary College. Survey open from 22 March – 8 April.

## Principal's Report cont:

### Year 6 Leading the way

A momentous moment each year has again been captured in a photo for 2019. The arrival and distribution of the Year 6 Rugby Tops is eagerly anticipated by our students. Taking this annual photo certainly provides us all with a prompt for reflection on how quickly they seem to progress through their preceding 6 years of schooling. I am sure that this magnificent group of students will learn a great deal in their last year of Primary School before spreading their wings in 2020.

### Icy pole sales by Anasia, Zoe, Olivia and Sofia

Hello, we are the Icy Pole review/analysis team, and we are excited to announce that we have been successful in examining a way to bring Icy Poles back to Hughesdale Primary School, without the huge quantities of sugar! We have gathered information from parents, teachers, students and Mrs Gough, which has assisted us to decide on Kisko Juice Pops as the product we will sell. They will only cost students 50c and they are similar to Zooper Doopers but much healthier, with only 1.4 grams of sugar per Icy Pole. They are really yummy and a great treat for students on hot summer days. They will be coming back at the start of Term 2. The Level 5 students will be selling them as in previous years, to prepare them ready for Leadership positions. Students can bring no more than a \$2 coin to school because money can be lost very easily and we might not have enough money to give change for higher denominations. As the Icy Pole wrappers are recyclable, we are organising additional recycling bins for outside, so that students can recycle their Icy Poles rubbish and keep our school green and clean.

### Supervision and Bikes - before and after school

I would like to remind families that teachers are available for student supervision from 8:45am in the morning, when a teacher is rostered on to commence yard duty and support students while they prepare for the doors to open at 8:50am. Please keep this in mind. While you are welcome to arrive earlier, please remain with your child until his time. Similarly, at the end of the day, a teacher will remain in the yard until 3:45pm. Students are dismissed at 3:30pm and should be collected within this 15 minute time frame. A reminder that Camp Australia is available for out of school hours care, and it is worth enrolling your child to ensure that this option is available to you should you be unavoidably delayed. This can be done online; <https://www.hughesdaleps.vic.edu.au/afterschool-care> As highlighted in my Compass message earlier this week, we are having a blitz on the riding of bikes in the school. I sincerely thank the parents who emailed me in response to

the Compass message, and wish to share that a number of them highlighted additional issues outside the school gate on the busy footpath. I have been informed that this was also a "no ride zone" in the past and feedback indicates that it is also a current safety issue.

With this in mind, please remind any riders in your family of four things;

1. No helmet, no riding.
2. Scooters and Bikes must not be ridden in the school grounds – NB. This includes 'side-scooting' where the rider stands to the side on one pedal and 'scoots' the bike along. Riders must get off and walk once inside the gate.
3. All bikes and scooters must be stored in the bike shed during the day.
4. As these are Primary age children, we understand that they will be utilising the footpath, but this is not safe alongside the school fences due to the number of pedestrians. Please be courteous and walk your bikes when this close to the school.

I do thank you in advance for assisting us to maintain a safe environment for all children.

### Learning shared with me over the last fortnight

Callum from 1B shared his amazing Writing. Yash and Kobe from 1A shared their recount writing from their excursion to Ripponlea house.

Year 3B all came to visit to share their work on Harmony Day which can now be seen on the pinboard

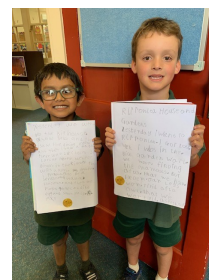

outside my office. Selena from 5D shared her Cross Curricular learning presented as a poster on the fox. Phoebe from 4B shared her

fabulous writing about the jungle

Kindest Regards,

**Lisa Gough**

# Assistant Principal Report

## Cultural Diversity Week

Thank you to all families who assisted and supported their children to dress up to celebrate **Harmony Day** at Hughesdale. The school was alive with Orange, cultural costumes and flags. It was wonderful to see the many students getting involved right around the school, The photos of so many happy, smiling face is testament to how much the day was enjoyed!

## Cultural Festival at South Oakleigh Secondary College

With lovely sunny weather last Friday night, the cultural festival was alive with song dance, food trucks and activities. Thank you to the students from level 2 and 3 who came along to perform Mandarin songs on the stage as well as some of our dance club members who tore up the stage with their dance moves.

Special thanks goes to the following teachers who made this event possible Leonie Anglm, Katrina Dowler, Celeste Goh and Gina Xing.

Hughesdale Primary Schools Marquee was alive with color and chinese decorations and the activities provided to the community were well received. There was a stream of participants making and crating all evening.

## Working Bee - Sunday 28th April - Save the date

Our next Working Bee is Sunday 28th April.

Starting at 9am and concluding at 1pm.

Working Bees are a wonderful opportunity for families to come together and contribute to the school environment. We hope you are able to join us.

## Movie Night - TONIGHT!!!

## Extra Curricular Programs

With term one drawing to a close it is time to make your bookings for the extra curricular activities of Soccer, Coding, Electronics, Netball and Chess during term Two. For further information and bookings, please visit [www.Sportswise.com.au](http://www.Sportswise.com.au), for soccer, [www.ku.zone](http://www.ku.zone) for Coding and electronics and [www.kellysports.com.au](http://www.kellysports.com.au) for netball. Booking forms for chess have been sent home, should you need another, please contact the office.

## Counselling

Welfare of our students are of utmost importance to us at Hughesdale and I am very excited to announce that we are welcoming Desiree a child Counsellor from Better Place Australia to our school.

If you think your child could benefit from some counselling sessions, please contact me at [breeden-walton.amanda.k@edumail.vic.gov.au](mailto:breeden-walton.amanda.k@edumail.vic.gov.au) to discuss the referral process. These sessions are confidential and are provided to families at a low cost.

## Parents and Friends Easter Raffle

Thank you to all families who have donated Easter eggs for our raffle. There are a whopping number of prizes (over 100 I am told) which will be drawn next Friday at 2pm in the school Gym (just prior to our 2.30pm finish).

Special thanks to the Parents and Friends group for organising this activity and helping us raise funds for the school.

With only one week of school term left, I wish you all a lovely break and a terrific Easter spent with family and friends. School resumes on Tuesday 23rd of April with Anzac day being on Thursday 25th April and our next Curriculum day on Monday 29th April.

## Public Transport Construction Blitz – April 2019

Passengers are advised to plan ahead to avoid long delays as much-needed upgrades across the network are scheduled to take place during the April holiday period.

Throughout April works will take place to build the eastern entrance of the Metro Tunnel, remove the dangerous level crossing at Carrum and upgrade power and signalling across the network.

**It is expected to be busier than usual on other public transport services and roads.**

To avoid increased delays and congestion, here are some tips:

- Avoid peak times and travel before 7am or after 9am
- If you can, arrive in the City before 7am – make the most of the Early Bird Fare. Touch off before 7.15am and your train travel is free.
- Visit [ptv.vic.gov.au](http://ptv.vic.gov.au) for up to date public transport information.

Please note, buses will replace trains on the **Cranbourne**, **Pakenham** and **Frankston** lines on Tuesday 23 April, the first day of Term 2 for many schools.

Whilst we recognise the majority of these works take place during the school holidays, we encourage staff and students to plan their journey in advance during this period.
