Cybersafety

My reading this week, included catching up on a number of journals I subscribe to. I happened to come across an article that caused me to pause, and reflect on how we are supporting parents to manage the use of personal devices for their children. As parents, we try so hard to model our values; being fair, supportive and understanding of demands placed upon our children, however the article brought great focus to the management of such a widespread issue. Titled "I can't control my child's use of technology.", I have uploaded a copy which I encourage you to read. It is actually a strong call to action for us to manage this for our children. To read the article, please utilise the link <http://www.hughesdaleps.vic.edu.au/w.infohub.php>

And navigate to the "Recent Notices" menu item on our school's website. From there it can be downloaded.

New Building

Thank you for your amazing support with our fundraising effort this year. The total amount we are seeking to raise for Air Conditioning in our new building is \$136,461 and to date we have raised \$69,409 - a little over half. With our school Carnival scheduled for next year, we are well on track to achieving this goal.

Compass

I would like to again thank our community for your support with the release of Compass as an administrative tool available to all of our families. I am pleased to announce that our annual calendar is now available once you are logged in, to assist with the communication of key school dates.

Utilising the program to advise us when your child is not at school has assisted us to reduce the number of unexplained absences we were experiencing. In 2019, we will be utilising Compass to facilitate payments, and it will replace our push notification system (previously 'Flexibuzz' & Tiqbiz).

If you have not yet logged in, or require assistance getting in to the system, I encourage you to contact the office prior to the end of the year to ensure these facilities are available to you for the new school year.

Parents & Friends

Thank you for your responses to the article about our Parents and Friends team in our last Newsletter. I have been asked the best way to get in contact with this group, and so with pleasure, I encourage you to contact them via email which is hps_pf@yahoo.com.au

Gratitude

As educators, we recognise the impact reflection has on learning, on shifting new content from our short, to our long term memory. As part of our end-of-year process, we reflect in teaching teams, on the work we have focussed upon over the year. Our reflections this week, led to the important sharing of how well students have adopted our school's values; **Respect, Teamwork, Personal Best, Resilience, and Gratitude.**

Students are able to discuss our values, and determine the best (and least !) favourable behaviours that demonstrate their understanding, to support a rich learning environment for all. The teaching team discussed further work for 2019, as we support students to deepen their understandings. Our ultimate goal is to work with all stakeholders, to nurture lifelong, happy learners, and I was reminded of the following Ted talk which prompts consideration of how gratitude is integral to this work. I thought some of you may like to view it for yourselves.

https://www.ted.com/talks/david_steindl_rast_want_to_be_happy_be_grateful

Enrolments

As we finalise our student enrolment numbers for 2019, I would like to remind families that are moving house (and needing to change schools), that an exit form needs to be collected, completed and returned to the school office. I thank you for your attention to this matter.

Learning shared with me this fortnight

Sarah from 2A, Charlie from 2C, Leia from 4B, Fraser from 5C, Cisco from 3A Konstantinos from 2B and Zoe from 4C all offered amazing support to her teacher and class, tidying up the learning space.

Aaron from 5B demonstrated maturing, respect and collaborative working skills to achieve a completed piece of Art in Visual Arts.

Sophie & Chloe from 4B shared their writing which demonstrated their poetry and recount skills. Charlotte from 6A shared her poetry that brought a tear to my eye!

Kindest Regards,

Level 5 Leadership Day

Last week I was lucky enough to accompany the level 5 students and teachers to South Oakleigh Secondary College for a leadership day. Run by year 9 and 10 students of the school, the students took part in various scenarios and learnt about the skills required to be a leader.

Please enjoy reading some of the students reflections and recounts of the day below.

The South Oakleigh students showed us that to be a leader you just have to be a good team player, listen and respect and stand up for your peers. Respect and leadership are two major keys in leadership.

I really enjoyed the few sessions that we had. Being a leader includes collaborating with your team that is what gets things done. Especially with the games and group activities you have to work as a team and share your opinions, ideas and strategies. It really was great learning and knowing that to be leader you don't have to be "perfect."

By Jonathan

LEADERSHIP EXCURSION

On Wednesday the 28th, all of level 5 went to South Oakleigh College on a leadership excursion. When we came in, we were introduced to the peer support students that were going to guide us. After that we were asked a question, What is a good leader? We were told that we would need to answer this question at the end of the excursion. Soon after that, we were

split into our grades and led into a classroom. In the classrooms we did teamwork based activities for about an hour. At quarter to eleven, we had a lunch break that went for twenty five minutes After we ate, we went back into the classrooms. We then discussed the important and not so important traits of a leader. We did this for forty five minutes. We then went to the theatre for a conclusion session. We said goodbye and thank you to the students and teachers that helped us and went back to school .We had learnt what a good leader is, how to work well as a team and the qualities of a leader.

Assistant Principal Report

My Reflection on My South Oakleigh College Leadership Excursion

I really enjoyed this leadership excursion at South Oakleigh College! I had so much fun. Meeting the year 9 students (nearly year 10) was such an amazing experience. They made me want to go to high school even more now! When I first walked into the South Oakleigh College, I didn't know much about leadership and what a good leader is. By the end of the excursion, I knew a lot more about good leaders.

It was a great surprise when they gave everyone in level 5 a paper bag which had a muffin and a juice box. I really liked this part of the day. I got apple juice with a large chocolate muffin! If you are a person that knows me well, then you would know that I happen to be a massive chocolate fan!

At the start and at the end of the excursion, we (the level 5's and I) all sat in the South Oakleigh College theatre. The theatre was quite large but there weren't as many seats. The seats were bright neon red, and there rows of them! At the start they (year 9's) played a video about teamwork and what a good leader is. I have to admit, the video was quite funny! At the end of the excursion, they asked questions like if we have learnt anything new since we have arrived at South Oakleigh College. Of course, we all said a big loud YES!

By Grace

South Oakleigh Secondary College

At South Oakleigh Secondary College they explained to us how to be a good leader and qualities are needed to be a leader.

They started off by showing us a video with teamwork and leadership. Then we went to the classrooms and we did a group activity where we had to number the events from the 1st most important to the least most important. We also did a trick test where it confused us by telling us to read everything and on the last question it said to only do question 1 and question 2. The trick was that you needed to only read everything and not do everything on the list.

After that we did a tower making challenge with a group. We had 10 minutes to build a tower made out of 20 pieces of paper and a metre piece of sticky tape. We had to make the tower so it was the tallest. Whoever made the tallest tower won.

When we had completed that task we went into the canteen and the staff handed a paper bag with a muffin and a juice box. We got the time to play outside. The year 10's also included us in playing a fun game at snack.

Once we finished eating we went inside and we got a piece of paper that might be important for a leader or not important for a leader, we needed to put those words on the 'not important' or 'important' side of the whiteboard.

We finished off with a chat to the principal of South Oakleigh Secondary College. Later we got on our busses and went back to H.P.S.

We thank South Oakleigh Secondary College for teaching us about leadership and hope to see them in the future.

Working Bee - Wednesday 13th December - Clean up prior to Community Night.

Your help is needed to assist with making our grounds neat and tidy for the Community night on Thursday night. Sweeping, blowing of leaves and a general tidy up is all that is required. Equipment will be provided, but please feel free to bring along your own brooms and blower vacs.

The clean up will run from 3.30 - 5pm.

Community Night

We all love to see you all at our Community Night on Thursday 13 December, this all singing all dancing spectacular is brought to you by the students and there will also be a few surprises too! Starting at 5pm, this night provides us with an opportunity to come together and watch our wonderful students perform on stage to the community.

A stage has been hired and a professional sound system too so our students will really be stars. With a performance from each grade or level, it is set to be a fun night.

Don't forget your picnic rugs, chairs or bean bags so you can sit back and enjoy the show!

Enjoy a sausage in bread, a delicious Nava Bakery falafel wrap (order forms need to be returned ASAP) or bring along a picnic supper to share with family and friends. We'll also have a coffee van and ice cream van on site.

This year, we request that all deck chairs are set up on the perimeter of the oval in the indicated area only. Deck chairs will not be permitted in the area designated for picnic rugs only.

We understand that parents may want closer access to the stage while their child is performing to enable photos to be taken. There will be designated areas for this close to the front of the seating area on either side of the stage. While you may choose to take photos from your seated position, we request that you do not stand up to do so as this will impede other people's view. We thank you in advance for your support and respect shown towards all of our students.

Level Performances

On Wednesday 19th December, our Foundation, Level 1, Level 2 and Level 5 students will be putting on their Performing Arts performances to parents.

This will take place in the Performing Arts room. Parents are

9.00am - Foundation	12.00 - 5C
9.50am - Level 1	1.50 - 5A
11.10am - Level 2	2.40 - 5B

requested to enter via the Northern doors.

Performances will run as follows:

End Of Year Celebrations and Assemblies

Important dates for your diary

- Friday 14th – Normal Assembly @ 3pm – Whole School
- Monday 17th December 9am onwards – Awards ceremony – This is where the student leaders for 2019 will be announced
- Friday 21st December – 9am – Farewell Assembly – this is where we Farewell those who will be leaving us. The level 6 and Foundation students sing a farewell to each other and we recognise those staff members who are leaving Hughesdale.
- Friday 21st December – 1pm – Level 6 Farewell.. This assembly will take place under the "Great Green"
- School dismissed at 1.30 pm on this day.
- School resumes on Wednesday 30th January for levels 1-6. 2019 Foundation students join us on Thursday 31st January.

Bike education

Next week our level 4 and 5 students will be taking part in a Bike Education program at school. This program teaches basic road rules, bike safety and skills. Thank you in advance to Mr Richards and the level 4 and 5 teachers for providing this program for our children.

Bandanna Day

We would like to thank all members of the Hughesdale Primary School community for their help and support towards our school fundraiser 'Bandanna Day' which was held on the 26th of October. Our JAG reps worked very hard organising the day and selling the bandannas, and were very excited to support the charity Canteen. We sold over 500 bandannas raising a grand total of \$3067.05 for Canteen. This is an amazing amount of money which will go a long way in helping support young people who are impacted by cancer.

A big thank you to Miss Mulcahy and Mr Welsh for supporting the JAG team during this fundraiser.

What we have been doing in Outside School Hours Care

Term 4 is almost finished, and we thought it would be the perfect time to share what we have been doing at **Before and After School Care**.

We have had heaps of fun this term including activities like **decorating our room for Christmas**, **holding Lego competitions** and **constructing beautiful things out of our resources here**.

But as always there was also plenty of quiet time for homework, relaxation and reading.

Meet the Team

We're here to make OSHC the best experience possible for your children. If you have any questions about the program, feel free to drop by, meet the team and see what

happens first hand.

To find out more about our program, view our fees and to register, visit www.campaustalia.com.au and search for your school. It's free to register! We look forward to seeing you and your family soon,
